CAPITAL VALLEY IPSSA CHAPTER

Water Watcher

APRIL 2019

Featured Speaker for April...

Worldwide, millions of pool and spa owners rely on Pentair. Their products filter, heat, clean, light, and automate pools in both residential and commercial settings.

Lorne Early and Jim Ghidossi will be showing us a variety of things from Pentair. We will see their newest and most comprehensive control system for pools and spas, IntelliCenter. IntelliCenter easily and intuitively manages the pool and spa features from anywhere in the world.

In addition, they will be showing the IntelliConnect Control and Monitoring System, as well as the new LED MicroBrite Lights and highlighting some tech apps.

Pentair will be presenting perfect attendance awards to CVIPSSA members who attended all chapter meeting in 2018, as well as distributing education reimbursements to members who attended Pentair training. Pentair will be providing dinner.

Capital Valley IPSSA Continues Swim and Safety Program

CVIPSSA will again partner with the [Sunrise Recreation and Park District](#) to expand the District's swim and safety programs. The program's objective is to make swimming lessons and water safety education accessible to immigrant and low income children in the local community. CVIPSSA's grant will benefit approximately 25 children and their families who would not otherwise have the means to take swimming lessons.

The Swim and Safety Program will be the beneficiary of the auction and raffle proceeds earned at the Sacramento Regional May Table Top, as well as a matching grant from IPSSA corporate.

CVIPSSA is excited about this partnership and bringing a successful outreach program to promote the drowning prevention mission that all of us embrace as aquatics professionals.
