## Beneficiary Forms

One of the benefits we receive as an IPSSA member is a \$50,000 life insurance policy, which is paid to our beneficiaries. However, you must designate your beneficiaries. According to our chapter's membership roster, one-third of our members have **not** designated their beneficiaries. Please protect your family and complete your Beneficiary Designation form.

## Pentair Education Fund

The tuition for the Pentair training in Reno qualifies for reimbursement through the Pentair education fund that has been established for CVIPSSA members. Twenty-five percent (25%) of the annual rebates given to our chapter by Pentair will be set aside to reimburse our members for Pentair training fees/tuition. The maximum amount to be set aside is \$1,000 per year. If the reimbursement requests exceed the education fund amount, then the fund amount will be split amongst the members that applied for reimbursement. Reimbursement requests (with receipt) must be made to Jack Emlay by January 31, 2023, for 2022 training fees. Reimbursements will be made at the April chapter meeting.

Dear Pentair Customer,

Thank you for being a valued customer of Pentair. We appreciate your business and continue to work hard to deliver great products to you and your customers.

Pentair recently released the IntelliFlo3™ and IntelliPro3™ family of Variable Speed and Flow (VSF) Pool Pumps. This next generation of pool pumps builds on the industry-leading features of the previous generations and now includes additional value-add features, such as:

- Connectivity
- Remote monitoring
- Increased energy efficiency

With this transition to the IntelliFlo3 and IntelliPro3, Pentair will no longer be accepting new orders for previous generations of IntelliFlo® and IntelliPro® VS and VSF products starting October 3, 2022.
