CAPITAL VALLEY IPSSA CHAPTER

Water Watcher

MAY 2020

May Chapter Meeting Has Been Cancelled

The **May Table Top** has been cancelled, because of the COVID-19 health concerns and government restrictions. Updates to follow regarding the June and future chapter meetings.

New Billing System for Members Starting June 1, 2020

IPSSA is moving to a new database and billing software called MemberClicks that specializes in associations. Since IPSSA is moving to the new software, by law we cannot transfer over the credit card and e-check information of the current members.

The only members that do not need to fill out these forms are check paying members. Every member that is on auto-pay needs to fill out this form.

[Update credit card information form](#)

[Update e-check information form](#)

What's new?

The billing cycle will now coincide with the current month's membership. The first billing cycle in MemberClicks will be on June 1 for June's membership (no longer paying a month ahead of time). The automated billings will recur on the first of the month every month moving forward. IPSSA will be closing out all dues payments prior to the June billings in the current database.

Does the member have employees on their account?

If a member has an employee they only need to fill out one new payment application as all employees are billed on the same card as the company membership.

Sick Route

No one is out sick or injured.

Thank you for your support.

We still need someone to step-up and become our next Sick Route chairman. This is a great opportunity to give back to your chapter in a very vital way.

This position doesn't require a lot of time, until someone is out sick or injured. Fortunately, for our chapter, that is maybe once or twice a year.

Contact Scott for more information.

For Sale:

Due to the generosity of our supporters, we have a limited number of products that were donated to support our fundraising efforts.

- Polaris TR28P Sweep - \$450
- Pentair 320 Filter - \$610
- Pentair Rebel Sweep - \$370
- Pentair Legend (LL505G) - \$435

Call Scott Houseman, 916-638-4100

Innovative Pool Products Relay (IPP-100) \$40

COVID-19 AND YOUR POOL & HOT TUB

What You Need to Know

According to the CDC*, COVID-19 cannot survive in properly treated pool and hot tub water. In addition, the World Health Organization states that controlling water quality is necessary to prevent the transmission of infectious diseases.

During this crisis it is important that pools and spas be properly maintained because:

- The maintenance of properly sanitized swimming pools and other artificial bodies of water is necessary to prevent the transmission of infectious diseases and help maintain community health.
- Without proper pool maintenance (which includes circulation and treatment of water) various germs which are present in feces – like e. coli – can grow. It can also create a breeding ground for mosquitoes, other pests and the diseases they may carry. This presents a risk not only to bathers but to the entire community at large.
- Additionally, it is critically important that active inground pool and spa projects be completed. Unfinished projects pose significant public safety risks as potential issues such as cave-ins and pool popping, as well as the dangers posed by an active construction site. And, the impact of long-term exposure to the elements may result in the community health issues noted above.
- As children and families across the country are being asked to reduce outside contact or even shelter at home, and gyms and other public facilities are closing, the backyard pool, spa or hot tub provides a fun way for families to focus on their health and well-being. These pools and hot tubs should be properly maintained by a service professional to ensure proper sanitation measures are taking place.

As always, please do not hesitate to reach out to us with any questions or to schedule a service.

The maintenance of properly sanitized swimming pools and other artificial bodies of water is necessary to prevent the transmission of infectious diseases and help maintain community health.

BURKETT'S

POOL PLASTERING, INC.
Specializing in Pool Remodeling

SEEKING SWIMMING POOL SALES ASSOCIATE

Burkett's Pool Plastering, Inc. provides swimming pool/spa & backyard remodeling services in the Central Valley, Sacramento and surrounding areas. We are family owned for over 30 years and are proud to be the area's industry leader.

Burkett's is seeking a sales professional to join our team of swimming pool sales specialists. A successful candidate will have a passion for sales, be goal oriented, ethical, and committed to providing great customer service. The sales professional will take provided leads and establish a rapport with homeowners to close sales of pool & spa renovations along with related products. The position will require travel to meet with prospective customers. Experience in pool sales/service is highly desired.

IDEAL CANDIDATES FOR THE POSITION WILL...

- Have 3+ years sales experience...
- Have experience in the swimming pool industry...Preferred!
- Be highly organized, trust worthy and dependable
- Possess a valid California driver's license and a clean driving record
- Have reliable transportation
- Be able to pass a drug test and have a clean background report

GENERAL RESPONSIBILITIES WILL INCLUDE:

- Conduct consultations with homeowners at their location to assess the customer's needs, renovation ideas and expectations
- Develop and recommend pool renovations by written proposal to homeowner
- Prepare and compile detailed sales packet for office
- Must deliver professionalism and excellent follow through with clients

COMPENSATION

- Commission based
- Health Insurance

Please submit resume to info@burkettspoolplastering.com
