# Water Watcher

**NOVEMBER 2020**

## A Message from Monte at

Signs You Have a Pool Leak

A quick review on what may indicate a pool/spa leak:

- You can't balance the chemicals - freshwater is always being added.
- Pool loses more water than regular evaporation, about 1/4" over 24 hours.
- Pool has air in the system or equipment loses prime, could be a suction line leak.
- Pool deck is sinking or lifting, indicating soil saturation.
- There are soggy spots around the pool, or water running from the front yard drains.
- Water is added more than once a week, to make up for evaporation.
- The auto fill seems to always be running, it can be heard running.
- The water bill is unusually high or the water meter always spins.
- You can see cracks in the plaster.

These are some of the signs that you can keep an eye on for your customers, when you suspect there may be a pool leak issue.

## October Meeting Highlights...

1. Thank you to all the **members**, along with **Aztec Solar** and **Pool Covers, Inc.** that braved the interesting meeting conditions.
2. Thank you **Pentair** for providing dinner.
3. Thank you **American Leak Detection** for providing drinks with dinner, and providing us an informative presentation.

In addition, **Pentair** presented some powerful, rechargeable headlamps to our members with perfect attendance in 2019. Because of the **Pentair Education Fund**, some members were reimbursed more than \$90 of the fees/tuition they paid for Pentair training in 2019.

## Sick Route

No one is out sick or injured.

Thank you for your support.

We still need someone to step-up and become our next Sick Route chairman. This is a great opportunity to give back to your chapter in a very vital way.

This position doesn't require a lot of time, until someone is out sick or injured. Fortunately, for our chapter, that is maybe once or twice a year.

Contact Jason for more information.

## For Sale:

Due to the generosity of our supporters, we have a limited number of products that were donated to support our fundraising efforts.

- Pentair CCP320 Filter - \$610
