## President's Message

November and December are very busy months for our Chapter Board and the Members. We all get very wrapped up in the Holiday season. There is a lot to look forward to, and much more to be Thankful for. Enjoy the season, your families, the extra time, and the great food; this is our time to recharge before next year.

First off I want to thank everyone for doing Sick Route this year, I know it has been exhausting please hang in there. Everyone is almost back on their feet. I know the members who needed the coverage really do appreciate it. Everyone assigned pools right now is doing a fantastic job. The Sick Route Summary cards are going out in the mail this month and are due in January. Please turn them in ASAP; fines will go out after January's deadline. We are also sending out a very important form with the Summary cards. It is a Waiver form allowing our chapter to receive information from the suppliers about purchases made that qualify you or our chapter for rebates for equipment purchases through our suppliers. If you're not eligible to receive a rebate on your own for those equipment purchases, our chapter is eligible collectively with everyone's combined purchases. The rebate money from these programs helps our chapter fund special events and raise money for charities. Remember IPSSA is a non profit organization. We rely on all of chapter supporters to donate money from their companies to help support us. This helps them out too.

**PLEASE MAKE SURE TO FILL OUT THIS WAIVER AND SEND IT BACK WITH THE COMPLETED SICK ROUTE SUMMARY CARDS.** This is something we will send out each year with the Sick Route Summary Cards.

Our chapter meeting this month will host The Sheriff's Toy Project. This is to help our chapter learn the importance of raising money for this charity. This will be a fundraising opportunity please don't miss it. Next month Thursday, December 13<sup>th</sup> is our annual Christmas party which will involve The Sheriff's Toy Project and more fundraising. Please bring donations to the chapter meeting as well as the Chapter Christmas Party. Remember cash, check, unwrapped toys, and bikes with helmets are all great to bring for donations. Make checks payable to Capital Valley IPSSA we are hoping to also get matching grants to go towards The Sherriff's Toy Project. It's not a bad idea to ask your customers for help with this charity too. Let's make our fundraising for this years Sherriff's Toy Project better than ever. The Chapter Christmas Party will be held at the Carmichael Elk's Lodge, Invitations will be coming soon by email and Evite. Please watch for your invitation they are not coming by mail this year. Please RSVP right away.

Thank you Jade from Jandy for the great presentation and the pizza at last months meeting. It was very educational and informative. You did a good job.

Daylight savings time is here the days are shorter colder and wetter it is time to switch gears and button everything up for the change in weather. Pool sweep bags, sweep repairs, filter cleanings, and basket replacements should be at the top of your to do list. Batteries in your control systems like Jandy RS panels and remote controls should be changed out, as well as the batteries in your smoke detectors and carbon monoxide alarms should be changed too. Please don't forget about your vehicle maintenance, tires, wiper blades, coolant, battery, and other repairs, for your safety and others.

Happy Holidays,  
Drive Careful and Please Don't Drink and Drive.

**"Keep up the good work"**  
Sincerely, Gregg Simon  
Capital Valley I.P.S.S.A.  
President

## American Leak Detection

Thanks to everyone who stopped by the American Leak Detection booth at the PIE show in Monterey. The late-September show had a terrific turnout and I was especially glad to see the Sacramento area so well represented. The momentum American Leak Detection had coming out of Monterey was definitely maintained at Golftoberfest, the annual golf tournament hosted by El Dorado IPSSA. This year's tournament was held at Dark Horse Golf Club in Auburn on October 13th. American Leak Detection Sacramento was proud to support the tournament and its benefitting organization, Soldiers' Angels, by fielding a foursome (we didn't win) and the putting contest (not even close to winning). We look forward to participating again next year, and I'll need at least that long to perfect my swing.

As always, American Leak Detection Sacramento appreciates the opportunities earned through its association with IPSSA. Please know that we remain committed to providing the best possible customer service, while giving your customers the benefit of our extensive experience. Information about our franchise can always be found at [www.americanleakdetect.com](http://www.americanleakdetect.com) or by calling me at 916-765-5734, or by email at: [aldsacto@yahoo.com](mailto:aldsacto@yahoo.com).

See you at the next meeting and at the Christmas Party!

Thanks,

Monte Routon
