President's Message

Santa's Summer Get Away was awesome. (Pictures are on the next page.) The best time my family and I had all summer. It was the most fully loaded camping I've ever been apart of. Every comfort of home was there. Jack Emlay brought and set up a full service kitchen and an amazing shower complete with hot water. The camp ground was nicely set up with a great recreational area right on the lake. The view was spectacular and the lake water was so refreshing. We had the entire area to ourselves. It was a great group of people everything could not have been more perfect. We can't wait to go again next year.

There are so many people to thank. It was a huge success because of all the people I'm about to mention. I would really like to thank Jack & Charlene Emlay for all that they did. They brought so much of the supplies and the materials needed to put the whole thing together. They had two trucks, and a travel trailer packed full. I'm sure it took them a couple of weeks or more to load and unload all of that camping gear. The camping committee: Jack & Charlene Emlay, George and Shaleen Stevenson, Karl and Linda Eggers, Scott Houseman & Meagan Anderson, and Larry Hughes did a wonderful job organizing the whole thing. Thank you. Meals were provided by our chapter supporters. Thank you John Adams Handy & Hayward Pool Products for the meal Friday night and the dessert Saturday night. Thank you Lorne Early, Rick

Savajo, and Jody from Pentair Water, for the meal on Saturday night, they cooked a spectacular fiesta meal. Karl Eggers and Larry Hughes made breakfast Saturday. Randy Stevenson made breakfast on Sunday. All of the meals were fantastic, and we were all so grateful for the work put into them. Special thanks, to Jamie Eggers & Taylor Jordon who did the clean up after every meal.

Thank you very much to our Supporters, and Sponsors of Santa's Summer Get Away; Capital Valley IPSSA, Hayward, Pentair Water, Hasa, Us Motors, Sales Link, Aztec Solar, Natural Chemistry, Jandy, Leisure Supply, Contractor State License School, Waterway, General Pool and Spa Supply, Pool Corp. SCP, Deck-O-Seal, and Orenda Technologies.

Put it on your calendars for next year. The dates for next years Santa's Summer Get Away are September 13th through the 15th. We hope to see you all there.

This month's chapter meeting will host Jade from Jandy. This will be an educational experience please don't miss it. Next months meeting will be The Sheriff's Toy Project. This is to help our chapter see the importance of raising money for this charity. You may bring donations to the chapter meeting as well as the Chapter Christmas Party. Remember cash, check, unwrapped toys, and bikes are always great to bring for donations. It's not a bad idea to ask your customers for help with this charity too. Let's make our

fundraising for this years Sheriff's Toy Project better than ever. The Chapter Christmas Party will be held at the Carmichael Elk's Lodge, Invitations will be coming soon by email. Please keep your eyes peeled for it. We will need RSVPs. Thank you Monte Routon from American Leak Detection for the Pizza at last months meeting. Also Thank you to John Adams Handy, and Hayward for such a great presentation. It was very educational and informative. You guys did a great job.

It is the official end of the summer, time to switch gears and button everything up for the change in weather. Pool sweep bags, sweep repairs, filter cleanings, and basket replacements should be at the top of your to do list. Don't forget about your vehicle maintenance, tires, wiper blades, coolant, battery, and other repairs, for safety for yourself and others.

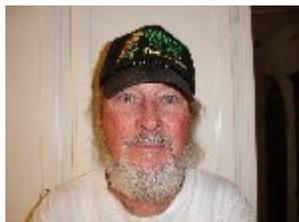

Watch for kids out early on Halloween it's a school night. Drive Careful. Have a Happy Safe Halloween.

"Keep up the good work"
Sincerely, Gregg Simon

Hi I am Jon Johnson "Parrot Island Pool Service"

I just recently had open Heart Surgery and many of you covered my Pools for me. Thank you, if it was not for this Great Organization and all of it's members I would not be writing this. I would not have a job, a business, or my house ,you all saved my life. I am a big worrier about everything but for the 2 months I laid in bed I never once worried about my business. I knew with IPSSA I was in the hands of good people. As I laid in bed recovering, I was unable to help my wife who was laying in bed next to me in her 8 TH year of battling Cancer and barely able to help me. But I knew all of you were helping me. I came back to work after 2 months, the next time someone says they are ready after 2 months don't let them. It really takes 4 months. Oh the heart was good but the Medications will wipe you out.

Thank you for your time and thank you for the Chemicals.
JON
