SEPTEMBER 2016

Presidents Message

Have a great September!

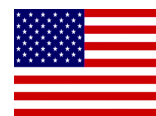

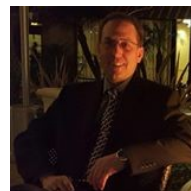

We are in the last push to keep all the pools looking there best! Clients will still be having swim parties until the end of September, so don't close down the pools yet. You can help your customers extend the swim season by providing a solar blanket and getting the pool heaters ready with an annual cleaning and service program. This is a great way to add more time for you customers to use the pools and it will also insure the heater is ready for the spa season going into fall. Pool and Spa heaters should be serviced at least once or twice a year! This is a great way to earn extra income to your company and provide a professional service to your customers! A typical heater service should cover cleaning out leaves and debris from heat exchange and burner tray, and evicting

any rodents that have taken refuge inside the heater. Check gas pressure and safety circuits / limit switches to ensure the heater is operating correctly. Also checking the surrounding of the heater to make sure it meets safety codes and there are no over grown bushes or trees that may cause a fire! Hope to see all of you at the Santa Summer Get a Way this September 16th – 17th !! Don't miss out on all the fun!!

'Til next time, keep it clear,

Scott Houseman

Santa's Summer Get-Away

By Shaleen Stevenson

Last Chance!!!

Santa's Summer Getaway is fast approaching -- September 16-18, 2016. If you have been with us before, you know that it is a great family time with lots of relaxation, food and fun and who couldn't use that at the end of the busy pool season? If you have not been with us before, this will be a great year to join us. There's lots of water in the lake, plus Pinewood Derby on Saturday, canoeing and boating both days, campfires at night -- what's not to love?

\$35 per adult and \$20 per child pays for your campsite, Friday and Saturday dinner, Saturday and Sunday breakfast, plus crafts and other activities. Tell me where else you can have so much fun for so little money!
